Payroll checks for the other shifts will be released by the County Treasurer to accommodate receipt of such checks in an efficient manner.

If a relative or co-worker is asked by an employee to pick-up a check, the Aroostook County Government will require that the recipient sign a standard form for check receipt.

The County Treasurer is responsible for check disbursement and any changes in the handling of payroll matters must be approved by that office.

Manual checks will be available by 4:00 p.m. on Wednesday at the County Commissioners' Office. Individual employees who wish to have their checks processed manually may arrange for their checks to be picked up on that day or mailed to them. Employees who choose mail service understand that their payroll checks will arrive dependent on the U.S. Mail Service.

IV. PERFORMANCE EVALUATION

A. Responsibility for Evaluation

1. Each Department Head is responsible for evaluating employee's performance annually. Each employee in a probationary status will be evaluated prior to the end of the probation period. All evaluations will be filed in the County Commissioners' Office and be filed in the employee's personnel file.
2. Department Heads must use the appropriate evaluation form.

B Evaluation Procedures

1. Probationary Report - shall be due within two (2) weeks prior to the end of the probation period.
2. The County evaluates appointed employees annually on their anniversary date. By definition, an employee's anniversary date is their initial date of hire or when their employment status with the County changes; i.e., promotion, transfer, demotion, change to full-time status, etc.

Part-time employees who are regularly scheduled are evaluated on their anniversary date. Part-time employees who are not regularly scheduled may be evaluated at the discretion of the Department Head.

3. An evaluation may be filed at any time, when, at the discretion of the Department Head, the employee's conduct warrants such a report. A formal notation will be placed in the employee's personnel file.

V. COMPENSATION PLAN

A. Compensation Schedule Assignment and Review

The Board of County Commissioners has an approved compensation plan. On January 1st of each year, the Board of County Commissioners, as a result of the budget process, will adopt a Salary Structure for that given year. Copies will be available through the County Commissioners' Office.

B. Overtime Compensation

No employee will work overtime without prior approval of the Department Head.

C. Termination of Compensation

A terminating employee, regardless of the nature of the separation, shall be paid for accumulated annual leave as described in Section VII-A, "Annual Leave", except if the termination is during a probationary period. In this circumstance, no annual leave will be paid.

VI. HOURS OF WORK

A. Standard Work Week

1. The standard work week for full-time employees is forty (40) hours, Monday through Friday.
2. Deviations from this schedule must be approved by the County Administrator in writing.
3. All full-time Sheriff's Department employees are scheduled for a minimum of 40 hours during a seven-day period (Saturday-Friday) to provide for the operational and administrative needs of each division.
4. Every Department Head must file and certify with the County Commissioners' Office, a weekly report of hours worked by the Department Head and each department employee.
 - a. The weekly attendance record shall include the hours worked and/or leave taken, on a daily basis. It will be the responsibility of the employee to record the hours worked and/or appropriate leave; i.e., annual, sick, leave without pay and etc. The weekly attendance record must be signed by the employee and turned in to the County Commissioners' Office by 10:00 a.m. on Mondays.

B. Flextime Policy

The operating hours of Aroostook County Government offices are Monday through Friday, 8:00 a.m. to 4:30 p.m. All employees are expected to be at work during these hours unless approval is granted for a flexible work schedule (flextime).

Flextime at Aroostook County Government is a work schedule with time of arrival and departure that differs from the standard operating hours.

Immediate supervisors (or department heads) will approve the flextime on a case-by-case basis, with the final approval granted from the County Administrator. Full-time employees who have completed at least six months of employment are eligible for flextime. The employee must first discuss possible flextime arrangements with his/her supervisor or department head and then submit a written request using the Flextime Request Form. The supervisor/dept head will approve or deny the flextime request based on staffing needs, the employee's job duties, the employee's work record and the employee's ability to temporarily or permanently return to a standard work schedule when needed. The Flextime Request Form will be submitted to the County Administrator for final approval.

A flextime arrangement may be suspended or cancelled at any time. Exempt employees must depart from any flextime schedule to perform their jobs. Non-exempt employees may be asked to work overtime regardless of a flextime schedule.

C. Telecommuting

COUNTY OF AROOSTOOK will consider telecommuting where there are opportunities for improved employee performance, reduced commuting miles, and/or potential for COUNTY OF AROOSTOOK savings. Telecommuting is defined as work and transportation alternatives that substitute home-to-work commuting with the option of working at home.

This policy applies to COUNTY OF AROOSTOOK employees who work a regularly scheduled workday.

Telecommuting does not include temporary work at home due to special conditions such as providing dependent care, recovering from an illness, or caring for an ill family member. Such situations may be arranged between the employee and his/her supervisor, at the supervisor's discretion.

To ensure an effective, productive telecommuting program, COUNTY OF AROOSTOOK establishes the following policies:

A. General

1. Professionalism in terms of job responsibilities, work products, and customer or public contact will continue to follow the same high standards as are currently being met by COUNTY OF AROOSTOOK employees at their onsite work locations.
2. Telecommuters will be self-motivated, have minimal requirements for face-to-face

daily supervision, and will have demonstrated conscientiousness about work time and productivity.

3. An employee's work schedule may include telecommuting on either a part-time or full-time basis. The work of the telecommuter must be of a nature in which face-to-face interaction is minimal or may be scheduled to permit telecommuting.
4. Telecommuting is not suitable for all employees and/or positions. Any employee who wants to telecommute must discuss the request with his/her supervisor. The County Administrator will make the final decision about whether the employee's job is suitable for telecommuting.
5. Participation in COUNTY OF AROOSTOOK'S telecommuting program is entirely voluntary. COUNTY OF AROOSTOOK may not require an employee to telecommute. An employee may not demand the "right" to telecommute. The employee, supervisor, or County Administrator may terminate telecommuting at any time.
6. The employee's salary, benefits, worker's compensation, and other employer insurance coverage will not change due to telecommuting. An employee who is telecommuting is not entitled to reimbursement for travel mileage to attend work unit meetings. Reimbursable mileage will be computed as if traveling to and from COUNTY OF AROOSTOOK'S location in Caribou or Houlton (if applicable), unless agreed otherwise.
7. The employee's duties, obligations, and responsibilities remain unchanged during the telecommuting agreement. The employee will meet or communicate with his/her supervisor to receive assignments, review work progress, and complete work as often as the supervisor believes is necessary.
8. The employee must obtain supervisory approval before taking leave in accordance with COUNTY OF AROOSTOOK policy.
9. The supervisor and employee will formulate objectives, expected results, and evaluation procedures for work completed while the employee is telecommuting. The supervisor and employee will meet at pre-determined intervals to review the employee's work performance. Telecommuting may cease at management's discretion if work performance is not meeting expectations.
10. Telecommuting is not a substitute for dependent care. Telecommuters are required to make arrangements for dependent care during the agreed-upon work hours. The employee may be asked to provide information regarding dependent care arrangements by his/her supervisor.
11. Telecommuting employees shall not perform personal business or activities during agreed-upon work hours.
12. While telecommuting, the employee must be reachable via telephone, fax, network access, or e-mail during agreed-upon work hours.

13. More specific conditions relating to the employee's working at home are detailed in the Telecommuting Agreement. The Telecommuting Agreement must be completed by the employee, his/her supervisor, and approved by the County Administrator.
14. Telecommuters are advised to contact their insurance agent and tax consultant for information regarding home work sites and coverage for equipment that is damaged, destroyed, or stolen.

B. Work Site

1. A designated workspace shall be maintained by the telecommuter that is quiet, free of distractions, and kept in a clean, professional, and safe condition, with adequate lighting and ventilation.
2. Since the employee's designated home workspace is an extension of the COUNTY OF AROOSTOOK'S workspace, COUNTY OF AROOSTOOK'S statutory workers' compensation coverage will apply to occupational injuries and conditions that arise out of and in the course of COUNTY OF AROOSTOOK approved work performed during the approved work schedule and in the employee's designated home workspace. To ensure that safe working conditions exist, COUNTY OF AROOSTOOK will retain the right to make on-site inspections of the workspace, including home workspace, at mutually agreed-upon times.
3. COUNTY OF AROOSTOOK will not be responsible for operating costs, home maintenance, property or liability insurance, or other incidental expenses (utilities, cleaning services, etc.) associated with the use of the employee's residence except, and to the extent, as specifically agreed in the Telecommuting Agreement or Attachment thereto.
4. COUNTY OF AROOSTOOK will not be liable for damages to the employee's property that may result from participating in the telecommuting program.
5. A consistent schedule of telecommuting work hours and days is desirable to ensure regular and predictable contact with COUNTY OF AROOSTOOK staff and others; for some positions, more flexibility in work hours and days is feasible. Further information on the individual work schedule will be stated in the Telecommuting Agreement.
6. An FLSA non-exempt employee shall not work overtime unless he/she has received prior approval from his/her supervisor. If the employee works overtime that has been approved in advance, compensation or compensatory time off will be provided in accordance with eligibility guidelines and applicable laws and policies. The employee understands that failure to obtain prior approval for overtime work may result in discontinuance of telecommuting and/or other appropriate disciplinary action.

C. Supplies, Equipment, and Software Usage

1. Employee out-of-pocket expenses for supplies, which are normally available in the employee's regular work location, will not be reimbursed. Other supplies, as needed, must be requested by the employee and approved by the supervisor.
2. COUNTY OF AROOSTOOK will not provide worksite furniture for part-time telecommuters. Worksite furniture for full-time telecommuters, if needed, must be discussed by the employee and supervisor. Worksite furniture cannot be committed by the supervisor without prior approval of the County Administrator.
3. The following conditions shall apply to use of computers, software, other COUNTY OF AROOSTOOK equipment, and Internet access:
 - a. In most instances, the telecommuter will provide his/her own equipment, software, and Internet access. Any agreements for COUNTY OF AROOSTOOK to provide equipment, software, and Internet access will be outlined in the Telecommuting Agreement and approved by the supervisor.

B. Administering Disciplinary Action

1. General

Aroostook County Government seeks to maintain fair and consistent handling of all cases of disciplinary action. The Board of County Commissioners, County Administrator, along with the Department Head, will, therefore, weigh carefully all of the circumstances before initiating disciplinary action. Such action may include, but is not limited to, written warning, suspensions, demotions and termination of employment. The Aroostook County Government reserves the right, in its discretion and depending upon the circumstances, to bypass any and all of these steps and to proceed immediately to greater discipline, including termination, if warranted by the circumstances.

2. Warnings

The following disciplinary measures are for illustrative purposes only. The Aroostook County Government, in sole discretion, reserves the right to bypass any or all of the following levels of discipline and proceed immediately to greater discipline, including but not limited to terminations, as circumstances warrant. Warnings will be given by the Department Head.

a. Oral Warnings

An oral warning is an oral statement by the Department Head to an employee, pointing out an unsatisfactory element(s) of job performance. It is intended to be corrective or cautionary. It defines the area of needed improvement, and informs the employee that failure to improve may result in more serious action(s). Oral warnings will be noted in writing in

the employee's personnel file.

b Written Warnings

A written warning shall state why the employee's conduct was unsatisfactory, suggesting remedies and goals by the Department Head, and a timetable for resolving the conduct. If a written warning is provided, the employee may respond to the warning in writing. The written warning will be placed in the employee's personnel file and is not subject to appeal.

3. Demotions

a. A demotion is a lowering of the employee's position within Aroostook County Government.

b. Department Heads may, with the advice and consent of the County Administrator, reduce the salary of any employee within their range on the compensation plan or demote an employee to a lower category on the compensation plan.

c. Procedure:

(1) Demotions will be made by the Department Head, with the advice and consent of the County Administrator. The Department Head will include all the facts concerning said demotion in a written statement.

1. If an employee is not satisfied with the Department Head's decision, the employee may appeal to the County Administrator.

Aroostook County Government employees will not accept gifts, personal loans, entertainment, meals or other consideration from an individual or firm doing business with Aroostook County Government.

Employees will make every effort not to allow actual or apparent influence to exist, which may conflict with the best interests of County Government.

Any employee who receives any payment or gift from a person dealing with the Aroostook County Government will refuse it or return it to the offeror. Repeated attempts by the offeror will be reported to the County Administrator and/or the Board of County Commissioners.

Employees must be aware of any interest or relationship with anyone that may knowingly or unknowingly influence that employee's decisions. In such circumstances, employees who are faced with actual or potential conflicts of interest, must exempt themselves from any decision making process.

Employees must not use Aroostook County Government equipment or property for personal use or gain. Employees will not sell or assign Aroostook County Government property without proper approval, such approval being consistent with approved policies and procedures.

The employee should endeavor not to discuss such information publicly, except with those persons whose position it is to receive such information, and otherwise to the extent permitted under the law.

XV. SMOKING POLICY

Aroostook County Government recognizes its responsibility to promote and provide a safe and healthy environment for employees, inmates, visitors and the general public.

Therefore, effective August 1, 1993, Aroostook County Government will become a smoke-free workplace by prohibiting smoking within the confines of County owned and leased buildings/facilities and surrounding grounds.

POLICY

There will be no smoking or use of any tobacco product or any other substance by anyone in the buildings or grounds owned or leased by the County or any County owned vehicle.

Rules governing our position regarding non-smoking are as follows:

- A. Adherence to this policy is a condition of employment with Aroostook County Government.
- B. Failure to adhere to this non-smoking policy will lead to progressive discipline, including dismissal if necessary.

Everyone associated with Aroostook County Government has a responsibility to promote this policy. The Facilities Manager shall be responsible for ensuring compliance by visitors and the general public. The role of Aroostook County Government is not to force individuals to quit smoking, but provide a safe workplace for everyone, assistance and support to those who do wish to quit, and understanding for those who do not choose to quit.

XVI. ALCOHOL AND OTHER DRUGS

It is Aroostook County Government's desire to provide a drug-free, healthful, and safe workplace. To promote this goal, employees are required to report to work in appropriate mental and physical condition to perform their jobs in a satisfactory manner.

While representing Aroostook County Government and while conducting business-related activities on Aroostook County Government premises, no employee may use, possess, distribute, sell, or be under the influence of alcohol or engage in the unlawful manufacture, distribution, dispensation, possession, or use of illegal drugs. Violations of this policy may lead to disciplinary action, up to and including immediate termination of employment. Such violations may also have legal consequences.

The legal use of prescribed drugs is permitted on the job only if it does not impair an employee's ability to perform the essential functions of the job effectively and in a safe manner that does not endanger other individuals in the workplace.

Employees with drug or alcohol problems that have not resulted in, and are not the immediate subject of, disciplinary action may request approval to take time off to participate in a rehabilitation or treatment program. Unpaid leave may be granted if the employee agrees to abstain from use of the problem substance; abides by all Aroostook County Government's policies, rules, and prohibitions relating to conduct in the workplace; and if granting the leave will not cause Aroostook County Government any undue hardship.

Employees with questions on this policy or issues related to drug or alcohol use in the workplace should raise their concerns with their Supervisor, Department Head or the County Administrator without fear of reprisal.

XVII. SAFETY POLICY

The safety of each employee is of paramount importance to Aroostook County Government.

Aroostook County Government recognizes and will adhere to all safety rules of the State of Maine and those described under the Federal Occupational, Health and Safety Act (OSHA), Maine Department of Labor, the Americans with Disabilities Act and Amendments Act of 2008, and Workers Right to Know Regulations.

Each Department Head will be responsible to incorporate the following practices into the operations of the Aroostook County Government:

Employees who violate the safety practices are subject to disciplinary action by the Department Heads.

Employees are also encouraged to report safety problems along with possible recommendations for corrective action. Individual employees will be recognized for positive participation in this area.

The County Administrator will appoint five (5) employees, utilizing both Department Heads and other staff, to a Safety Committee.

The Safety Committee will select a chair and meet at times designated by the said chair.

The purpose of the Safety Committee shall be to investigate actual and near accidents, tour and review Aroostook County Government facilities and develop recommendations for proper correction of safe and potentially unsafe areas. The Safety Committee chair will be responsible to report, in writing, to the County Administrator on the activities and accomplishment of the Committee.

XVIII. EMPLOYEE HARASSMENT

The Aroostook County Government recognizes the dignity of the individual employee and the essential right of each employee to work in an environment free from intimidation, hostility and offensiveness. Employees may not harass anyone based upon religion, age, sex, sexual orientation, race, ancestry, national origin and physical or mental handicaps. Any such harassment may violate Aroostook County Government policy, and may also constitute discrimination in the conditions of employment.

Examples of harassment related to race, color, sex, national origin, age, religion, or handicap include the following, which may be a series of incidents or a single occurrence:

Employees are not required to report any such complaints directly to their own supervisor or any other person who may be perceived as participating in the harassment. Complaints will be processed confidentially to the fullest extent possible. All complaints will be thoroughly investigated, and decided on a case-by-case basis. Any employee who believes he or she is being retaliated against for bringing a complaint should report such retaliation immediately to any of the persons listed above.

XIX. POLICY PROHIBITING SEXUAL HARASSMENT

Sexual harassment in the workplace is unlawful, and it is also unlawful to retaliate against an employee for making a complaint of sexual harassment or for cooperating in an investigation of such a complaint. The County absolutely prohibits sexual harassment of any employee by a supervisor, a co-worker, a contractor, a vendor or a customer and prohibits retaliation against any employee for making such a complaint or cooperating in the investigation of such a complaint. All supervisory personnel are responsible for enforcing this policy. Failure to do so will be considered a failure to fulfill all the responsibilities of the position.

"Sexual harassment" is defined as "Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a term or condition of any individual's employment, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment."

Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior which is unwelcome.

Examples of sexual harassment may include but are not limited to: 1) repeated offensive sexual flirtations, advances or propositions; 2) continued or repeated verbal abuse of a sexual nature; 3) graphic or degrading verbal comments about an individual or his or her appearance; 4) the display of sexually suggestive objects or pictures; and 5) any offensive or abusive physical contact.

In addition, no one should imply or threaten that an applicant or employee's "cooperation" of a sexual nature (or refusal thereof) will have any effect on the individual's employment, assignment, compensation, advancement, career development, or any other condition of employment.

Any employee who experiences sexual harassment is requested to immediately report the matter to one of the following persons:

- Your immediate supervisor **OR**
- Directly to Human Resources Office 144 Sweden Street, Suite 1, Caribou, Maine 04736 (207) 493-3318 **OR**
- Directly to County Administrator **144** Sweden Street, Suite 1, Caribou, Maine 04736 (207) 493-3318.

The County will immediately investigate any complaint of sexual harassment. Any employee who is determined, after investigation, to have harassed another employee in violation of this policy will be subject to appropriate disciplinary action up to and including termination of employment.

Employees have the legal right to file a complaint of sexual harassment with the Maine Human Rights Commission, and are protected by law from retaliation for exercising this right:

This initial complaint of harassment can be oral or written, but a written and signed statement of the complaint must be submitted by the complainant within three (3) days of the initial complaint before an investigation can proceed. Both the complainant and the respondent will be notified of the County Commissioners' decision. The decision shall be final and binding.

XXII. HIV INFECTION AND OTHER COMMUNICABLE DISEASES

Existence of HIV Infection and other communicable diseases will not preclude hiring of an individual, either as a part-time or full-time employee.

Existence of HIV Infection and other communicable diseases will not preclude the advancement of an individual.

As with any other prolonged or special medical condition, a staff member with AIDS or positive HIV antibody tests is expected to inform their supervisor of such condition, which may prevent regular and reliable work attendance or performance. This information, by law and by Aroostook County Government policy, will be handled with the utmost confidentiality. The State of Maine law prohibits disclosing a positive HIV antibody test result without the person's written permission. **Any violation in confidentiality, therefore, will be cause for strong disciplinary action including the likely result of dismissal of the person responsible for the violation.**

Unless there is new, positive medical evidence to the contrary, requests for transfer to avoid another employee who may be HIV or other communicable disease positive, will be denied.

ACKNOWLEDGEMENT FORM

I have received a copy of the Aroostook County Personnel Policy Manual ("Manual"). I understand that this Manual supercedes and replaces all other policies, procedures, guides, statements and understandings previously issued by the Aroostook County Commissioners concerning the terms and conditions of my employment with the County.

I understand that it is my responsibility to read the Manual and to discuss anything in this Manual I do not understand with the County Administrator.

I understand that during my probationary period, as set forth in the Manual, my employment with the County is "at will". I understand that during the probationary period, I have the right to terminate my employment with the County at any time, for any reason or no reason, with or without cause, with or without prior notice, and with no right of hearing. I understand and acknowledge that the Aroostook County Commissioners retain the same rights.

I understand and acknowledge that the provisions of this Manual, and any other Aroostook County Commissioner's policies, procedures and statements, are not intended to create, or do not create, any contractual rights of any kind on the part of any employee of the County. I understand that no implied contract concerning any term or condition of employment can be established by any conduct or practice of the Aroostook County Commissioners.

I understand that the Aroostook County Commissioners reserve the right, in the sole discretion of the County, to modify, revoke, suspend, terminate or deviate from any of its policies or procedures, including this Personnel Policy, in whole or in part, at any time, with or without cause, and with or without prior notice. The interpretation, application and administration of all Aroostook County policies and procedures, including those in this Manual, shall rest exclusively with the Aroostook County Commissioners.

I understand that no agent, employee or representative of the County has the authority to make any promise or agreement contrary to the foregoing, unless it is in writing and signed by the Aroostook County Commissioners.

I understand that this Acknowledgement Form will be kept in my personnel file.
